TORCH

1965

DEDICATION

Whether taking a routine inspection tour of the school, lecturing in International Relations, or dismissing an assembly in Mr. Grey's absence, you have devoted to our class a good deal of your time and energy to give us the best high school years possible. Characteristically poker-faced, you have shown us how to view all the trials and tribulations of high school in a manner reserved, yet witty and perceptive. We leave A.B.R.H.S. the better for that laughing glimpse of ourselves, and while sad to see that this is your last year at A.B.R.H.S., we are thankful that our class was able to have you as teacher, escort to the U.N., and Vice-Principal. To you, Mr. Hayes, we dedicate our yearbook.

". . . WE SHALL THIS DAY LIGHT SUCH A CANDLE . . .

AS I TRUST SHALL NEVER BE PUT OUT."

HUGH LATIMER

As seniors looking back on our high school experiences, we must inevitably realize the relative shortness of our four years as compared to the total length of our lives. Still, almost like one day in a week, the time from sunrise to sunset was crammed full of tests, activities, and homework. Dances have been held, projects undertaken, papers completed, all under the guidance of our teachers who have served to inspire us with a respect for knowledge, and to kindle in us a taste for learning.

The time, although short, has been of great importance in forming the characters and ideals which will shape our future. As our day at ABRHS draws to a close, we the seniors of '65 look forward to a new sunrise, the commencement of another day in which we shall be guided by the sparks of thought lit in days past. We here submit our Torch with the hope that "We shall this day light such a candle . . . as shall never be put out."

With Mr. Stuart Adler as its head, the English Department attempts to give the student a foundation on which to build a basic understanding of life as it was and is by studying the literature of past and present. Grammar is studied to perfect its use as a tool of articulate expression with the hope that this tool will be used in literature of the future. Compulsory in the Sophomore year, Speech class places emphasis on the vocal use of grammar, while a class trip to the American Shakespeare Festival in Stratford, Connecticut, highlights the year by showing a master of the English language at work.

As we leave this year, the Class of '65 realizes the tremendous amount of assistance you have given us. From our introduction to A.B.R.H.S. in grade seven to our preparation for graduation, your guidance has been gratefully received. JUNIORS

This year juniors found themselves busy with an increased number of activities, not all of them extracurricular. Academic requirements took on new importance as they became preparation for schools and colleges after graduation. Frequent visitors to the Guidance Office, juniors rummaged through catalogues, registered for SAT's, and sought information on careers of all types. To round out a successful year, activities of a more frivolous nature included the carefully planned dances and the completition of arrangements for the Junior-Senior Prom.

Composed of three members from each class, the Student Council is perhaps the most active and beneficial organization in the school. Its hard-working members sell candy at basketball games, sell books, sweatshirts and gym bags and serve cookies and milk to all the teams after games. This year they sponsored such functions as a mock Presidential Election, the annual Valentine's Dance for the benefit of the American Field Service, the annual Sports Banquet at which the school athletes are awarded certificates, letters and jackets; and the Victory Hop in June. Under the supervision of Vice-Principal, Mr. Arthur Hayes, the Student Council strives to organize educational and entertaining activities for the students of ABRHS.

VARSITY BASKETBALL

Although very spirited and hard working, our team faced many obstacles in its competition this year. The squad's major difficulty was in its lack of height; A-B's tallest player was 6'2" and many of its opposing players were as tall as 6'7"

Acton's top ranking scorers, Jeff Kirkpatrick, Capt. Cappy Primiano, and Dave Lindquist, were aided by the rebounding and defensive skills of Gordon Edgin, Bob Dionne and Ernie Anderson.

VARSITY BASKETBALL

This year the girls' varsity team completed a most successful season under the guidance of Coach Stearns. Although injuries befell several star players, the only loss was to Westwood, by five points. The team's spirit filled every game with dash and excitement, despite the easy victories over their opponents.

JUNIOR VARSITY BASKETBALL

Coaching the hard-working boys and girls J.V. basketball teams this past season were Mr. Stonkus and Miss Stearns. Individually, these students played their positions with skill and enthusiasm. More, important, however, the squads displayed team spirit so essential in playing a good game. Success can definitely be assured to next year's Varsity teams as the ambitions and skills of the J.V.'s advance.

This year's J.V. Football team has proven itself very capable. With only one year's experience the squad captured the class Dual County Junior Varsity Championship.
